India Tax work on single Mantra to distribute franchise on “your grow we grow”

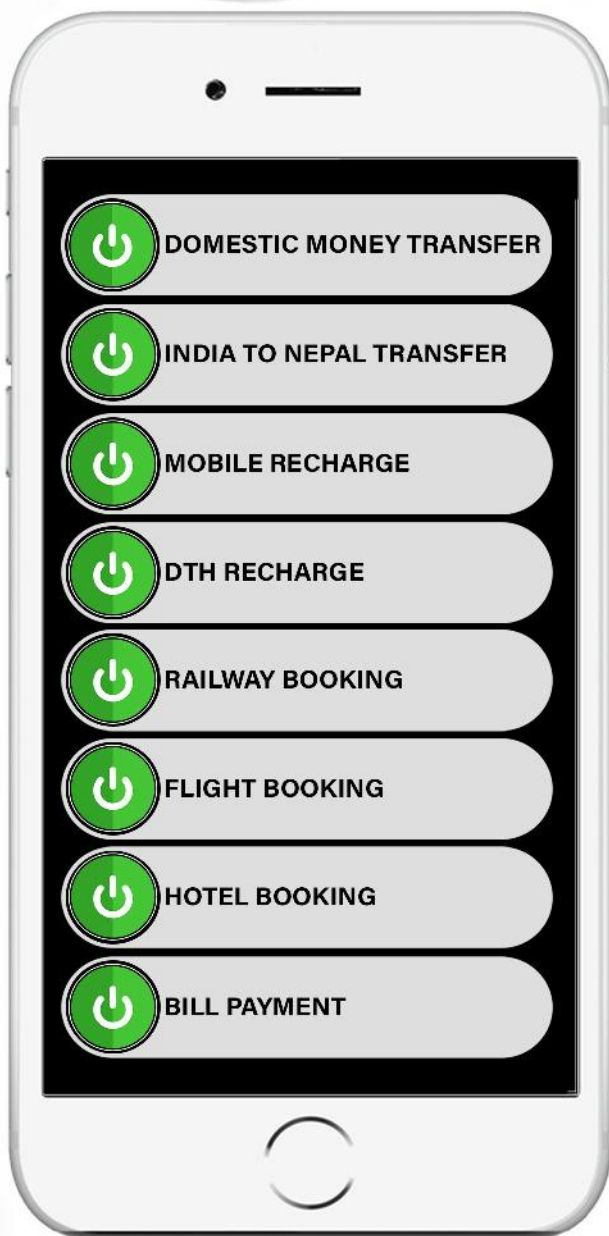

**Opportunity:** India Tax is unlocking the opportunities in today's exiting trading environment as it open door to start up for franchise and expand the growth for professionals.

**Knowledge:** To become Successful in Franchise concept these is a Sound planning, we provide training module and do can franchise to develop an individual's ability for franchise.

**Success:** As we believe in latest thinking just to formulate the business plan for every franchisee so that they can utilize that formula while doing the operations in addition to gathering best practices.

## Online Digital Service

## Online Digital Service

India tax is a leading business company with this brand name it developed a platform of digital services business conglomerate with interests across several sectors like technology, telecom & finance.

We are one of India's largest tech-enabled Hyper-Local Payments Network offering various services like Cash Deposit, Cash Withdrawal, Balance Inquiry, Bill Payments, Aadhaar Enabled Services, Air Time Recharge, POS Services, Railway Ticketing Services, etc. through our authorized agents across India.

Through our unrivaled technology, we enable any local store to function as a Digital Seva Kendra & a Mini Bank helping them become a one-stop solution for providing seamless financial & digital services. Our USP is our inherently strong tech DNA with a scalable, modular and secure platform architecture, which helps offer a significantly superior user experience enabling solutions. We have created a cloud infrastructure with cutting edge technologies to empower our VLEs (Village Level Entrepreneur) with products and services pertinent to them and the customers.

We have a significantly dense footprint in North Indian states of Bihar, Jharkhand, Madhya Pradesh, Rajasthan, Chhattisgarh, and Uttar Pradesh, accounting for pan India level. Our Focus is primarily on Financial Inclusion with nearly 90% of the Customer Service Points in semi-urban and rural India. Our endeavor is to bridge the gap between the served and the under-served, providing Digital & Financial services to customers at their doorstep. We are progressing, at a great pace, towards covering all the semi urban and rural areas.
