## PROFESSIONAL COMMUNITY

### WHAT IS PROFESSIONAL COMMUNITY?

India tax professional community is India's leading online crowd funding platform that enables NGOs to fund their programs as well as individuals to fund their medical expenses, creative projects and personal projects. Alternatively, it allows you to donate to a cause you support or, choose from a host of vetted causes here on India tax.

### WHAT IS INVESTOR FUNDING?

Thousands fight for their lives from fatal diseases and unforeseen medical emergencies every day. Families are often left drained of all their savings due to insufficient insurance coverage and are forced to take loans at high interest rates. Many also have to risk delaying or stopping treatment due to lack of funds.

At India Tax, we believe saving lives is a service. With the help of millions of donors online, who step up to generously support friends, colleagues and strangers with contributions, we are trying to reach each and every individual across India to ensure that no life is ever lost due to lack of money.

## INVESTOR FUNDING

### HOW INVESTOR FUNDING WORKS ON **INDIA TAX?**

**Step 1: Create your fundraiser instantly.**

**Step 2: Share your fundraiser online.**

**Step 3: Receive donations from around the world.**

**Step 4: Transfer funds to the hospital directly.**

# FUNDRAISE

## **WHAT IF MY FUNDRAISER DOESN'T REACH ITS GOAL AMOUNT?**

---

No problem! We follow a flexible model where you can keep what you've raised without being penalised for not meeting your goal.

## **HOW DOES INDIA TAX DISBURSE FUNDS DURING EMERGENCIES?**

---

We understand that many campaigners, especially medical causes, cannot wait until the fundraiser closes and often need to make payments to hospitals in parts. Unlike many platforms, on india tax, you can request for partial or full fund withdrawal before your fundraiser closes! Go to your dashboard, click on "Withdraw Funds", enter the amount you wish to withdraw and upload the documents required (bank details and scanned copies of PAN and Aadhar cards).

## **HOW LONG DOES IT TAKE TO RECEIVE FUNDS?**

---

Fund transfers usually take 3-5 working days for domestic funds and 7-10 working days for international funds after the request has been made. In case of emergencies or if the above mentioned time period has passed, get in touch with us at [info@itaxinfo.com](mailto:info@itaxinfo.com) and we will revert at the earliest.
